WHERE TO USE

Baby

Give your little one the gentlest care wherever life takes you with RoloWipes Baby. Specially formulated for your infant's delicate skin, these alcohol-free and non-toxic wipes provide a safe, soothing clean that moisturizes and protects against irritation.

Designed with busy parents in mind, the ultra-portable, ready-to-use packaging fits effortlessly into your pocket, purse, or diaper bag. Whether you are traveling, playing at the park, or running errands, you can comfortably rely on RoloWipes to keep your baby clean, hygienic, and wonderfully comfortable on the move.

Clean

Rolo Wipes Clean has been developed for easy and quick cleansing of ill or elderly people. These useful wipes are an ideal solution for both regional and whole-body cleansing in situations where bathing or access to water is difficult.

It provides comfort and gives a refreshed feel to patients and elderly people with a pleasing fragrance of white soap. With RoloWipes Clean, caring for the elderly and ill at home, hospitals or nursing homes is not difficult anymore.

WHERE TO USE

Make Up

Simplify your beauty routine with RoloWipes Makeup. Say goodbye to carrying bulky bottles and endless cotton pads—these disposable, single-use wipes fit effortlessly into your pocket or handbag.

Specially formulated to dissolve all traces of makeup, they provide quick, effective removal whenever and wherever you need it. Perfect for travel and busy days, each wipe cleanses your face, revives your skin, and easily lifts away stubborn residue from your hands and neck, leaving you feeling instantly refreshed.

Sports

Rolo Wipes Sport easily removes sweat, dirt and other residues from the body, cleansing and refreshing the body at the same time. These wipes are perfect for athletes and fitness enthusiasts that want to feel clean and refreshed with a fresh minty fragrance both in the gym and during or after outdoor activities, training or exercise.

RoloWipes Sport is designed to fit easily into your gym bag without taking up space and packaged ready to use wherever you may need them.

WHERE TO USE

Party

Add a spectacular touch to your celebrations with RoloWipes Party in Big Bubble Scent. Designed not for the everyday, but for moments worth celebrating, this single wet towel is a complete sensory experience.

It instantly commands attention with its vibrant energy, stunning retro childhood bubblegum fragrance, and a dazzling, glittery hologram package that turns a simple cleanup into a performance.
Perfect for birthdays, holiday nights, baby showers, bachelorette parties, and VIP invitations, it is the ultimate bag essential and gift box filler. When ordinary just won't do, elevate your party game and stay unforgettable.

Pets

Keep your furry companions fresh, clean, and ready for cuddles with RoloWipes Pet. Specially developed for busy pet owners and their beloved animals, these gentle wipes provide a quick, highly effective cleaning solution for any mess.
The completely alcohol-free formula is free from harmful chemicals, ensuring it deeply cleans without irritating sensitive skin or stripped fur—leaving their coat beautifully soft and shiny. Perfect for wiping muddy paws, freshening up faces, cleaning delicate ears, or giving a full-body refresh on the go, RoloWipes leaves your pet smelling wonderful and completely revitalised.

WHERE TO USE

Camp

Conquer the great outdoors without the mess with RoloWipes Camp. Finding clean water at a campsite can be a challenge, but these versatile, heavy-duty wipes make off-grid hygiene effortless.

Specially designed for outdoor enthusiasts, they instantly lift away dust, dirt, oil, and stubborn stains. Use them as a refreshing, hygienic rinse for your hands and face, or to quickly wipe down camping equipment, plates, utensils, and boots. Packaged in an ultra-light, compact format that adds zero bulk or weight to your backpack, RoloWipes Camp ensures your outdoor adventures stay clean, comfortable, and completely stress-free.

Mr. PIXO

Advanced Protection for Your Best Friend

Microorganisms like bacteria and viruses are the root cause of unpleasant pet odours and can leave your animals vulnerable to disease. Protecting your pets from these harmful pathogens is essential to keeping them healthy, thriving, and happy.

With Mr. Pixo, right product selection meets flawless execution. Powered by Nano Colloidal Silver Ions, Mr. Pixo eliminates bad bacteria and viruses at the source, providing comprehensive protection and instantly wiping out stubborn odours.

WHERE TO USE

Dr. Nanocollix

Protect your health with our Nano Colloidal Silver hygiene towels.

Engineered with advanced antimicrobial silver ions, this high-absorption viscose wipe targets and destroys over 650 illness-causing micro-organisms, including bacteria, mould, and yeast. Wrapped in food-safe packaging, it provides a powerful, laboratory-tested sanitising solution for everyday peace of mind.

Sneakers

Keep your footwear flawless wherever you go with RoloWipes Sneaker. Designed for sneakerheads and anyone on the move, these pocket-sized, ready-to-use wipes quickly and efficiently erase dust, dirt, and stubborn stains.

Whether you are prepping at home or catching a mark while out on the street, our gentle yet effective formula cleans your shoes instantly without damaging the delicate materials. Slip a pack into your bag or pocket and ensure your favorite kicks always look fresh out of the box.
